<b>Document number or letter</b> _____	<b>Source:</b> (Where does the document come from?)
<b>Title of Document:</b>	<b>Author:</b>
<b>Date of Document:</b>	<b>Possible Author Bias/ Point of View</b>
<b>Primary or Secondary Source</b> (circle one)	

**Evidence: What important details can I find in this document?**

Write one detail/quote from the document that gives you information that helps you answer the DBQ Question.

Your response should be a **full sentence** taken directly from the document. Remember to use quotation marks and to include citation, for example (Doc. A).

---

---

Put the quotation above in your own words to explain what it means. Your response should be at least one **full sentence**. Remember to include citation, for example (Doc. A).

---

---

**INFERENCES: What inferences can I make from the evidence above?**

From the evidence above, what inferences can you make? Your response should be at least one **full sentence**.

---

---

**ARGUMENT: How does this document help me answer the question?**

From the evidence and inference above, how does this information help you answer the DBQ question. Your response should be at least one **full sentence**.

---

---

**BUCKET: What bucket does this evidence best belong in?**

In the bucket to the left, mark down the bucket(s) this evidence best belongs in.
